Dear Mr. Espinosa:

This responds to your request of September 14, 2007, to the Office of Federal Procurement Policy under section 25(c) of the OFPP Act (41 U.S.C. 421(c)). In your request, you ask that we review provisions in the Federal Acquisition Regulation that address agency procurements from small businesses under the Schedules of the General Services Administration.

We are in the process of conducting the review you requested. But, we have determined that additional time will be required to complete this review and respond to you. During this time, we will obtain and consider additional information from agencies, complete our analysis of the issues, and prepare a response to your request. We expect that we will complete our review, and send you our response, by January 14, 2008.

Sincerely,

for 
Paul A. Dentt
Administrator
